All – Many thanks for meeting with Shell yesterday on the proposed technical revisions to the OOOOa rule. We believe the meeting provided an excellent opportunity for us to have a productive dialog on a number of high-priority Shell issues regarding the proposed OOOOa rule. As a follow-up to our meeting, I am sending for inclusion into the record a new draft of our proposed revisions to the regulatory text on storage tanks that we discussed during our meeting. Please let us know if you have any additional questions or would like to discuss further.

Best,
Stephen
